Re: CDOT I225 Resurfacing (I25 to Parker Rd) – Contract ID C20887, Projects NHPP2254-089  
**Colorado Department of Transportation (CDOT)**

Bid Date: March 14, 2019, 10am MST  
QUOTES DUE TO KIEWIT: March 13, 2019, 3pm MST

Kiewit Infrastructure Co. (KIC) will be bidding the above referenced project as a general contractor and is seriously soliciting subcontractor bids and material quotes from certified disadvantaged business enterprise firms (DBE Companies). Your assistance in providing notification to interested subcontractors and suppliers is appreciated. Please feel free to duplicate this letter or send us a list of firms and we will notify them personally.

**Project Description:**

This project is located on I-225 from I-25 to Parker Road. It consists of a 2.5" mill/fill with SMA, concrete paving, curb and gutter, median cover material, concrete curb ramps, guardrail, bridge deck rehab, bridge joint sawing and sealing, signal replacement, overhead sign replacement, signing and striping.

**Specific Crafts, Trades and Materials include but is not limited to:**

Striping, Traffic Control, Electrical, Flatwork, Survey, Milling, Signs, Guardrail, Waterproofing, Landscaping, Erosion Control

*Please note: KIC is similarly soliciting quotes for portions of the scopes listed above. Portions may include separate types of work within the listed scopes, work in separate areas of the project or work in certain time frames.*

Plans and Specifications are available for examination at the following locations:

Kiewit Infrastructure Co. 160 Inverness Drive West, Suite 110 (by appointment only please contact Jeff Moore) or our Building Connected online plan room (contact Melissa Gravley at 303-979-9330 for access);

For more information on this project please contact Jeff Moore at (303) 979-9330, Fax: (303) 325-0304, Jeffrey.Moore-PTR@kiewit.com.

Sincerely,  
Melissa Gravley  
Estimating Coordinator

*Kiewit Infrastructure Co. is an Equal Opportunity/Affirmative Action Employer.*
