## Get Your Trucking Business DBE Certified!

Connect2DOT is hosting two FREE training sessions for minority- and women-owned trucking firms and owner-operators who want to work on CDOT projects such as Central 70, North I-25, South Gap, and many more. Getting DBE certified will set you up to be more competitive and help you get more work with DBE firms already working on these projects.

### Introductory Webinar: DBE Eligibility & Application

This webinar is essential for any small business that is interested in applying for Disadvantaged Business Enterprise (DBE) certification in the state of Colorado. You will learn about the eligibility criteria, benefits, documentation, and application process.

**Wednesday, May 15, 2019**

**11am - 12pm**

Online webinar from your computer, tablet, or phone

**Register:** <https://tinyurl.com/dbe-trucking>

**\*Note:** Please attend the webinar if you plan to attend the follow up the coaching session.

### Coaching: DBE Application & Documentation

Come meet with certification specialists from Connect2DOT and the Colorado Minority Business Office at the Central 70 Project Office. This hands-on session is for trucking firms that need additional assistance with gathering the mandatory documents and navigating the online application. We'll make it easy for you to apply for DBE certification to either CDOT or the City and County of Denver.

**Bring a laptop and get individual help** with your application or schedule a follow up meeting with a consultant to go through your application one-on-one.

**Saturday, May 25, 2019**
