

# CREATING OPPORTUNITIES TO SUPPORT YOUR LIFE'S BLUEPRINT

**BUILD | ORGANIZE | LEARN | EARN**

COMTO Colorado works to provide full access to employment, career, and contract opportunities for minorities and women within the transportation industry. As a non-profit organization, we are supported entirely by sponsors, grants, and our members. Your commitment as an Annual Sponsor will provide training, access, and opportunity within the community and help further the programs that strengthen and expand the roles of minorities in transportation. Join the state's leading multi-modal transportation companies by showing your support today!
